## JUNE MEETING HIGHLIGHTS

We had approximately 38 in attendance at our June meeting. The facility is a great facility and is easy access from Memorial and fast access just off the Creek Turnpike.

on the website <http://www.microcollector.com> and click NEWS for last minute changes. The telephone committee will be standing by to make last minute calls if need be.—Geary

Ron Preston is going to order T-shirts for us. Please call him at 449-9919 and give him the size and color (black or white) that you want.

Also, I announced last month was the month I stopped sending the newsletter to non-paying members, both in the mail and e-mail. While it saves us money, we are also down about 30+ members for the year. We need a large membership to assist in all the committees and functions that we do each year (shows, charities, etc). If you know someone that would like to join, get them in touch with Sherry Dake and get them coming to the meetings and get them involved. Summer time is a good time to get together and talk about these little cars. - Larry

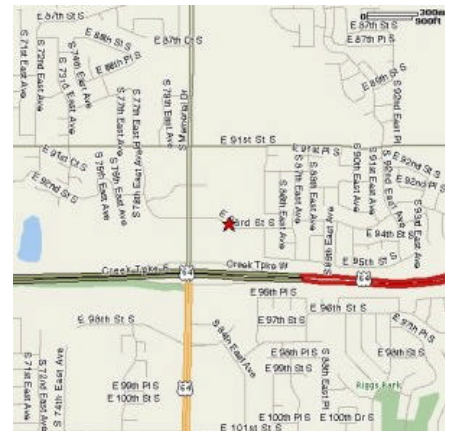

We are still in desperate need of a location for a show place. Several ideas were brought to the table but a useable option has not been decided upon. If you know of a location that we can use for our shows please forward your ideas to one of the club officers.

As it stands at this time we are planning for an August 23rd show. Location pending at this

### ***Not much content in the Newsletter this month?***

We can use your help with stories, articles, hot tips, anything Hot Wheel related. We look forward to the show next month and new releases and more Hot Wheels related news.

## OUR CONDOLENCES

Our condolences to Carolyn Hare and family.

Roy Hare passed away June 28th from complications of pneumonia. All of you will remember he liked little Hot Wheels cars and loved his grandchildren. He shared those little cars at his Flea Market booth at the Greatest American Flea Market on Admiral just west of the traffic circle. If you had any special orders coming or items he was holding, his booth will be open for one day only for a close-out sale on August 2nd from 10:00 - 3:00. He will be missed in our community and we extend our sympathy for his family's loss.
