DALLAS CONVENTION APRIL 1-4, 2004

As you have probably heard by now the next Mattel sponsored Hot Wheel Convention will be in Dallas Texas April 1st through the 4th 2004. It is expected by Mattel there will be less of a turnout for the Dallas convention than the past two 35th conventions held in the east (Cincinnati Ohio) and west (Irvine California). On the other hand many of us believe the Dallas convention will be a huge turnout due to it's central location in the United States.

Information about tickets and show details will be published in the December issue of the Hot Wheel Newsletter HWNL along with ticket order forms. If you are not a Hot Wheels Newsletter subscriber you will be

missing out on leading edge convention news and convention events only available to subscribers of the HWNL. The HWNL is \$30 per year and is published quarterly and includes updates and tons of information about Hot Wheel collecting and Hot Wheel events.

For more information contact:

Mike Strauss
26 Madera Ave.
San Carlos, CA 94070-2937

Or call (605)591-6482 6 'till 11 p.m. PST.

A WORD FROM ROBERT...

Hi everyone,

The November meeting had quite a bit of new information. First, the next National Hot Wheels Convention will be held in Dallas Texas on April the 1st through the 4th 2004. If you are interested in going you need to get registered for the Hot Wheels Newsletter. They are the first ones to get the opportunity to purchase tickets to the convention.

The next was that Hot Wheels are showing up at the strangest places, Big Lots, Dollar General and even your local Quick Trip are getting in those little cars.

We started the sign ups for the December Meeting/ Dinner, the club will provide the meat and you can sign up for the others (dessert, side dish, breads/condiments and drinks).

Also, the nominations for the officer positions were made. If you want to hold an office (or know of someone who does) please be there and throw your hat into the elections. We will be voting at the December meeting and the Officers will take there positions in January.

The Toy Drive will wind up in December, make sure that your donations get there. If you cannot attend get your donations to one of the officers to make sure they get delivered in time. So be sure you attend the December meeting as there will be plenty of food and fun.

Now for my part, I just want to say thanks to everyone who made this year such a wonderful one. The participation in the club cars has been phenomenal and even with the few glitches the year has went by smoothly. I look forward to another year with the club!!

Hope to see you there!!

Robert

CALLING ALL T-TOWN WHEELERS PLEASE DONATE TO THE CHRISTMAS TOY DRIVE

Fellow Members,

Every year, we as a club collect new toys of all kinds to donate to children that are less fortunate so that they may have something for themselves at Christmas. This year is not any different than in years past. Usually we wait until the last minute to remember those less fortunate and often enough we could always use more toys for the kids. We ask everyone in the T-Town Wheelers to really make an effort to donate something to a child they feel that they would like to receive if you were in their place.

We all know that Hot Wheels are COOL but please remember that you do not have to limit yourselves to Hot Wheels. As you are shopping for your family and friends please keep the children in mind. Pick up an extra toy or TOYS for the TTW Toy Drive and bring it with you to the dinner

not go unappreciated and are greatly needed this year. We are looking forward to seeing everyone!

The club car committee:

Robert Priebe, Paul Richards, David Smith, Joe Dake, Sherry Dake, Ron Preston, Geary Fowler, Rob Wilson, Steve Richards, Jeannette Peterson, Jeff Peterson, Gary Aaron and Kurt Kazmierski.

2004 Club Car NOMINATIONS

Be sure to attend the December 1st TTW Meeting and get your favorite casting nominated for the 2004 Club Car. Construction will begin soon and we want to hear from you. We will have you pick your favorite three castings (1st Choice, 2nd Choice and 3rd Choice) for the 2004 TTW Club Car build. We would like to get this project done early in the year versus late in the year as in years past. Please come out and support your club and remember we will be electing officers for 2004 and having our Christmas dinner Saturday December 6th!!!!

If you would like to be a part of the club car committee for the 2004 club car just email or tell anyone on the committee you would be interested in helping out.
