Christmas Dinner

This year we will have our Christmas dinner on the 2nd at our December meeting. Please make sure to let us know what you would like to bring, so everyone won't be bringing the same item. Joe and Sherry Dake have said they will do the Ham and the Turkey for the dinner, so we will just need the fixings and dessert to go with it.

Toy Drive

Please bring an unwrapped Boy or Girl toy to add to the toys which we will give away to the organizations we have chosen. This is our major charitable event of the year, let's make it have a positive impact on the kids across Green Country! Share with those a little less fortunate. You may start another generation of Hot Wheel collectors!

Nomination for New 2007 Officers

On this upcoming meeting in November we will need to start nominations for the officers who we want to carry us through for the 2007 year, starting in January. We will do our final voting at the December 2nd meeting. For those of you who wish to be a club officer, please let us hear your voice! Give us your best shot! It's good to rotate the crops every now and then. Remember, that your input counts! Don't be shy, nominate yourself!

Remember:

- The next TTW Club meeting will be at the NEW Hardesty Library just east of 93rd and Memorial. From 1:00 p.m. until 3:00 p.m., Saturday, **November 4, 2006.** Our meetings are on the 1st Saturday of each month through the rest of 2006.
- We need your Hot Wheel related articles for the Newsletter or a story about how you started collecting.
- Update your contact info with Paul Bales.
- Check us out on the web www.microcollector.com

A WORD FROM KAZMAN

Words

Okay folks, you may think you have heard this one before and in fact you have.....but since it is still appropriate we are going to say it again this year.

Fellow Hot Wheelers it is time to step right up.... no pushingno shoving. It is time for the annual nomination and voting of officers for the T-Town Wheelers club for the 2007 year. First off I want to thank the fellow officers that have carried out there duties for the last year (or more). Many of the current officers have been in their respective posts for quite some time and now it is time to give them break from their current spots and let some others take the helm. While I am at it I also want to tip my Hot Wheels hat to the many club members that have volunteered their help during many of our club functions. As you all know it takes the efforts of many people to make the club as successful as it has been.

How does a person obtain one of these officer positions? Well first off, it is quite all right to nominate ones self as it is after all a volunteer position...though a very fun one at that. After all what could be more fun than to have a job related to Hot Wheels collecting! Fun is exactly what you get when you sign up for club

officer duties. What will occur is that you will strike up new friendships amongst the other officers when you become an officer and you will also be able to further develop friendships among the general membership. Along with these friendships you will also be able to get help with your collection from others, which is not a bad thing either.

What would I need to do you might ask...well a general description exists on the club website in the bylaws and for an even deeper definition you can contact any officer to find out what you would need to do. I can say this...for any of the positions you will not need to devote an extreme amount of time each month but you will need to be dedicated to doing the specific duties on a consistent basis. If you ever need any help there are a number of members that have held your exact position before and any or all would be glad to either assist and or give advice to help you along the way.

Any questions? If so do not hesitate to give me or any of the officers a call. I will guarantee this to all of you. If you become a club officer, you will have fun AND you will be appreciated!

2005 Club Cars Update

We have now gotten the card stock to the printers and hopefully will have them in hand for this November meeting. It would be nice to get this car completed so we can also get the 2006 cars done. Paul Bales, Jeff & Jeannette Peterson are working on selecting the card stock, and prepping the blisters!

November K-Mart Day

There is a rumor that the next K-Mart drop will be on the 25th of November, which is the Saturday following Thanksgiving. Watch for more updates, coming approximately two weeks prior to the drop. Who knows what cars they will have? The HWC collector's club should confirm the date soon too. Check out the discussion boards!

It's the **five-year anniversary of HWC™ exclusives**. That's right. All twelve cars from this year's series will be offered in one extremely special **HWC™ Series 5 Complete Set** on **October 24, 2006 at 9 AM PDT** at HWC™. Exactly which twelve cars are we referring to? All six of the Real Riders® series and all six of the Neo-Classics™ series cars!

In our book, five years is a big deal. That's why each set includes a collectible tin (think classic lunch box) decorated with two paintings created by legendary Hot Wheels® artist Otto Kuhni, an official certificate of authenticity, all twelve vehicles in their original blister packs, and something extra special this year: **four special RLC™ Rewards Priority cars!** Priced at \$349.99 plus S&P, this set is limited to no more than 500 pieces.

This Special One Day Event has already come and gone, but I thought it was worth mentioning! The Camaro which is the most expensive Rewards Car to purchase, sells for around \$100.

2006 T-TOWN WHEELERS CLUB OFFICERS

President: Kurt Kazmierski (918) 747-6766

Several of our T-Town Wheeler members journeyed to the Hot Wheels 20th Annual Collectors Convention in Anaheim, CA this past October! There was a reported rumor that Bart Dalton developed some kind of affliction during his stay at the hotel. A local physician stated the malady, **Redlineus Purchasus**, was first reported locally, as early as 1969! Apparently there is no cure for this temporary insanity, but most victims live out their lives normally, with an occasional relapse!

Jeff and Jeannette are still looking for those black picture frame holders for the regular sized Hot Wheels (holds around 45 cars).

If you have any interesting news or stories that you would like to share with the T-Town Wheelers please email your article to Steve Haney at: endymion2@yahoo.com Thanks, from the editors, Jeannette & Steve.
