A NEW YEAR

Here we are again at the beginning of a new year. This year promises once again to be a plethora of series castings, variations and multi car sets. Mattel® is once again gearing up for your collecting pleasure and will be producing many new series in addition to the normal 2009 line.

"Fire Rods", "Cop Rods", "Military Rods", 20 or so 1:87 Scale castings and 1:50 scale castings including the 1966 Bat Boat and 1966 Batmobile.

Cool adult collectible castings are showing up on the net apparently originating from Bangkok, Thailand called "Dragstrip Demons". Other series are also showing up in the U.S. such as "Larry's Garage" which are designs by Larry Wood in color variations. In addition we will have many new "Classics",

Hot Wheels - Color Shifter Blaster
 Transform or customize your Color Shifters vehicles on this play set and launch them into action! Set comes with a cool spray gun, self-contained transformation unit, customization tanks and cool car launcher. Not for use with some Hot Wheels vehicles.

Remember:

- The next TTW Club meeting will be at the Hardesty Library just east of 93rd and Memorial. From 1:00 p.m. until 4:00 p.m., Saturday, **January 3, 2009.**
- We need your Hot Wheel related articles for the Newsletter or a story about how you started collecting. Send your articles to:

Hope this is reaching everyone in good health and spirits for the New Year.

First off I would like to say THANK YOU to all of last years officers for their contributions!

At our December meeting we held the nominations for officers and everyone who was running for a office was un-opposed. My-self and the other officers for 2009 are ready to hit the ground running.

There is a lot of catching up to be done, but some of it is already in process. At the January meeting we will be finalizing the show schedule for 2009, and setting up times and places for Club Car work time to help catch everything up to 2009.

If you want a say in the direction of YOUR club I suggest that you try to make it to the meetings or keep up with the progress in the Newsletter and voice your concerns and suggestions to myself or any other officer so it can be addressed. The only thing that I ask is that when you are wanting a change in something (how things are done, or not done) you need to have ideas of how to go about changing it and be willing to help make the changes that the club decides on.

There was no Christmas dinner at the December meeting so we will replace it with a feast at a later date. I will be looking forward to seeing everyone at the meetings, and moving forward quickly to meet the demands of 2009.

-Robert
