Well it looks like Hot Wheels is trying to make 2009 a Very Merry Year. There is A LOT of new stuff coming out. There are Color Shifters, Cop Rods, Military Rods, Larry's Garage and all of the regular lines of Hot Wheels cars.

your information has changed make sure that you get your most current info to one of the officers, mail it to the P.O. box or you can contact Geary via the Web Site so you don't miss a single meeting or show.

The club has lined up St Marks Church for the 4 shows this year (Thanks Wes!!), dates are set and preparations will be started at the next meeting.

The other "Themes" for the meetings will make them more interesting and give you something to look forward to other than just trading cars (Thanks Don for the input).

At the next meeting we will be having a TH downhill race. The only catch is you need to be a Paid Member to compete in the race and one car per membership. Make sure that you get to the meeting and renew your membership so that you don't miss out on all of the fun. If

Hope to see everyone February 14th at the Hardesty Library in Tulsa, be there!
