I hope everyone who had a chance to get out and survive another K-Mart Day was able to get some of the newest castings and colors available.

Remember to keep passing out those show flyers since the show is less than a month away. It is crunch time. You may not think that handing out or leaving a few flyers can make a difference, but it does. Sometimes we get people who never knew we existed. Sometimes friends of people who receive the flyers come if they have advance notice of when it is.

The March meeting theme will be the "Pink Slip" down hill races. Make sure you bring your fastest Hot Wheel racer (in the blister pack) that you are willing to loose (one blister pack per

membership please) and we will see who is "King Of The Hill". In last month's races with Treasure Hunts, the 16 Angels beat out a field of 7 other hunts to rule supreme. Darryl took home the 7 other Hunts with his last minute entry.

The meeting date for April has changed, so make note that it will be the 18th instead of the 11th due to a scheduling problem with the library. The April meeting we will be working on customs and working on the club cars at the meeting.
