Here we are almost 3/4 the way through the year, you can still get gas at a reasonable price, Hot Wheels are still catching your eye and we only have ONE MORE show in the works and is our last show on October the 17th. It will be as in the past our "Hot Wheel-O-When show. Table decorations are encouraged, I will be working on my track layout for my table display so I can show it is still Fun to play with your Hot Wheels.

I have in hand the recently completed 2009 club cars (WOW! Thanks Bob!!!!) and they will be available at the next few meetings and the show for pickup to our current club members. Don't miss out on these. The 2008, 2007 and 2006 cars should be ready by the November meeting.

Speaking about meetings our next one will be this Saturday the 5th, the theme will be Redline Downhill races (no Don it will not be pink slip races) but we will be having loads of fun. The picnic meeting is being rescheduled again for October the 10th meeting. The '40 Ford Coupe (52919) casting was released in 2002. The first release was a Malaysia made model with red paint flamed behind the front fenders, a chrome plastic chassis, white interior, tinted windows and SP5 wheels. This model was #12 in the 2002 First Editions and is a classic looking favorite among collectors.

Tomart's Price Guide offered a limited run of 6000 pieces of this casting. One was white the other was blue and both versions of this model displayed an awesome yellow to orange faded flames and Real Riders.

Nostalgia drag racing has skidded from the sidelines and into the mainstream as faithful fans everywhere long for the glory days of old. Maintaining this momentum, Hot Wheels is revisiting vintage with this Snake & Mongoose Track Set. This set represents the classic rivalry between Don The Snake Prudhomme and Tom The Mongoose Mcewen back in the days when ordinary men became daredevil drivers and hurled down the track at super-high speeds. When Mcewen and Prudhomme joined forces in the early 1970s, they received unprecedented corporate backing from Mattel, making Hot Wheels® one of the first large non-automotive sponsors. Now Hot Wheels proudly pays homage with this track set designed to bring out the demon in you! - This item is a Toys R Us Exclusive! For \$31.66 Shipped!
