### TTW Christmas Dinner & Toy Drive - Paul Bales

The 2009 Toy Drive for Tulsa Area kids is shown below.

We greatly appreciate the more than generous donation by Cookie Lind who donated most of what you see on the table. Cookie donated everything from the four rows of classics to the left side of the table.

There was plenty of food available for the few members present sharing Christmas dinner.

Well here we are another year older and another year of collecting these little cars. Your club is still chugging along, if you missed our December meeting you missed out on some Excellent food and fun. I wanted to let everyone know that our Toy donations to Broken Arrow Neighbors was well received. They were very happy to get our donation as they said that Boy toys are always in short supply.

With your help and the newsletter going to quarterly this job will be a lot less stressful. If there is something that you have found, seen or even heard about get it to the newsletter editor and make it your newsletter.

We are still working through the red tape for date reservations at the Library. We will be updating the Membership list, so make sure that when you renew your membership you give us your latest and greatest contact information.

The toys donated to Broken Arrow neighbors was GREATLY appreciated. They said the donations for Boy toys is never very good and our donations every year help make the less fortunate very happy. Thank you all for sharing your toys to make others help have a Merry Christmas.

Since our newsletters will be quarterly for 2010 if your dues are not paid by March this will be your last newsletter.

Hope to see you soon!

Thanks! Robert
