The 10th Annual Hot Wheels Nationals Convention is to be held in St. Louis, MO, April 14-18, 2010 at the Hilton at the Ballpark. 400 rooms have been reserved for convention goers and are selling fast. As always, advanced ticket purchases are required as nationals tickets are not sold at the door of this huge collectors event.

The five day event provides you the never ending room to room trading with fellow collectors and plenty of mingling with everyone in the Hot Wheel circle. You may never see anything Hot Wheel Related again other than a national event. There are plenty of activities for the family and kids. The souvenir cars will be produced by Mattel®, there will be downhill racing, a huge custom car contest, daily autograph sessions with Hot Wheels designers and a charity auction bringing out many one of a kind collector items new and old. Every national convention is similar but no two are ever exactly the same. Plan to make the almost local trip to St. Louis, Missouri, you will be glad you did.

Ticket sales are through March 24, 2010. Forms are available on the website. <http://www.hwcollectorsnationals.com/>

I hope everyone was able to make it out to your regular haunts. It seems like things are picking up in the Hot Wheels world. "Goodyear" tired cars at Wal-Mart, new Slick Rides at both Wal-Mart and Target, then last but not least K-Mart Collector Day.

We already have our show dates set, the next show will be April the 24th. tables are starting to fill up so make sure to get yours early. Table and space for a member will be \$10.00 and a non-member it is \$15.00. The week prior to our show will be the Nationals in St Louis so save up some extra \$\$\$ if you are looking for that "Special" car from that event. I also will have the space saver Protecto Packs available. On our March meeting we will be taking nominations for our 2010 Club Car. Put on your

thinking caps and lets get some castings in the hat to pick our next victim.

There was a suggestion and now at our meeting we will be having mystery "Theme" races every month. Last month was "Mopar Madness" and from what I heard it was a blast. You don't even have to bring a car to race as I am donating cars from the past and present to race. Every month there will be a different theme and I will have cars there to race, this way everyone has a chance to participate. You can't beat a free car, racing and getting together with your friends, so make it a point to be there and join in on the fun!

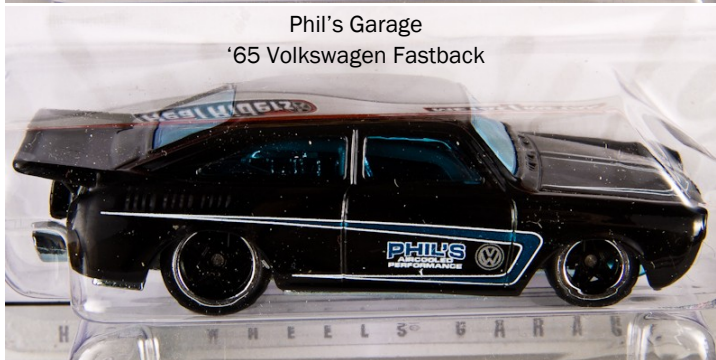

Thanks! Robert
