Hope everyone was good this year so you can be dreaming of a "Hot Wheels" Christmas.

The year finished out with a BANG at the last meeting for 2010. We had loads of food and friends.

The club will be looking into local car clubs for help in boosting our membership numbers. Possibly making a showing at some of their shows with information, free Hot Wheels for the kids and racing. I am looking forward to a record year next year.

Mattel is changing some things next year with the end

of the Mystery cars and Drag Strip Demons. Mattel will be adding the Vintage Racing series among others. Just like life, the only thing that stays the same at Mattel is change.

Looking forward to another fun filled year with my friends.

-Robert

Drag Strip Demon replacements for 2011 will be the Vintage racing series.

Besides the Flash Rods to the right I found two variations on the '58 Chevy Impala Treasure Hunt in November along with a good assortment of Hot Wheel Garage, some of the new 2011 castings and even a 68 Mustang Cobra Jet Matchbox Lesney Edition.
